

The Fiber Broadband Association LATAM Chapter supports the tax Increase on Optical Fibers and Cables in Brazil: Resolution GECEX No. 655/2024

Governments around the globe have intensified measures to protect manufacturers, and in the cable and fiber optic segment this mechanism has also been widely used, as can be seen in the table below.

Country/Region	Measure	Impact	Status	Source
Mexico	Import Tax	35%	Active	DOF - Diario Oficial de la Federación
United Kingdom	Anti-Dumping Tariffs & Countervailing Duties	23% to 46.2%; 10.62% to 11.79%	Active	New measures protect UK's £88M optical fibre cables industry - GOV.UK (www.gov.uk)
Europe*	Anti-Dumping Tariffs	39.4% to 88%	Active	EU tightens anti-dumping measures on optical fibre cables from China to defend significant EU industry - European Commission (europa.eu)
