

LATAM NEWSLETTER SELL SHEET

THE LATAM NEWSLETTER

Join the future of fiber optics in Latin America with the Fiber Broadband Association LATAM newsletter. With two annual editions, our newsletter is the perfect platform to showcase your company to industry leaders. By advertising with us, you'll position yourself as a key player in the fiber optic deployment across the region, reaching a specialized and engaged audience. Don't miss this opportunity to boost your brand and contribute to advancing connectivity in Latin America!

REACH

The newsletter is a document with six informative sections of research and market trends carried out by the FBA and purely virtual. 2 submissions are made to the database with more than 7 thousand contacts of the industry in Latin America. In addition to this, it has its individual space on the website and its content in the publications on social networks of FBA LATAM.

WHERE TO ADVERTISE

Given the popularity of the statement, the company that advertises in the Newsletter will be able to access a slot at the bottom of the statement with a Banner where its logo, art and slogan that it wants to highlight will be present in the communications sent.

In addition, this banner add will have a direct link to a website or email provided by the company.
