

## **Tulalip Tribes Fiber to the Premise Project**

In March 2025, the Tulalip Tribes was awarded a Tribal Broadband Connectivity Program Grant to complete the Fiber to the Premise (FTTP) Project. This initiative will deliver a state-of-the-art XGS-PON fiber network to approximately 700 homes on the Tulalip Reservation, improving internet access, reliability, and speed for our community.

The Tulalip Tribes is seeking proposals from experienced engineering and construction firms to provide services for:

- Engineering & Design
- Environmental Review
- Construction
- Construction Management

## **Current Opportunity**

Request for Proposal for: Engineering, Design, Environmental Review, Construction, and Construction Management of the Tulalip Tribes Fiber to the Premise Project (TTFTTP).

## **Tulalip Tribes Fiber to the Premise (FTTP) Project**

### ***RFP Solicitation Schedule:***
